### Why choose Penta in-company training?

If you have a group of six or more to train in a particular subject you can save time and money by running an in-company course.

Our courses can be delivered at premises of your choice. We can tailor it to your organization, spending time focused on your objectives.

This ensures that your people learn best practices suited to your own organization, in the setting where they will be using them. Our in-company courses are led by expert trainers who are skilled in both their subject matter and in the most effective ways for delegates to learn.

## Public Training Courses

Penta public training courses are available to employees from any organization, and are perfect when you want to train one or two people. They are run regularly and provide effective training allowing you to network with peers from different industries.

Penta courses are led by expert trainers who are skilled in both their subject matter and in the most effective ways for delegates to learn. Courses vary from essential, advance and professional levels.

We take great care in selecting high quality venues, paying special attention to location, facilities and service standards. This way you can focus on and maximize your learning experience.

### Choose a public course if:

- You are looking for a cost-effective way to train a small number of employees
- You want to network with peers with similar objectives.
